The School

Founded in 1945 by Ena Makin, The Granville School is a thriving, successful prep school with an enviable reputation for excellence.

The school is set in five acres of gardens and woodland and is centred on a large, attractive Victorian house. Over the past years, several new specialist buildings have been added so that it is now an impressive campus with exceptional, purpose-built facilities.

The school benefits from being close to a mainline station (25 minutes from London) and the busy market town of Sevenoaks. The Granville School is a non-selective, day preparatory school for girls aged 3 to 11 and boys aged 3 and 4. It is an educational trust administered by an extremely supportive Board of Governors.

Our Vision

Realising the full potential of every child by developing knowledge, confidence and self-reliance within a supportive and successful school community.

The Granville is an exceptional school which combines the very best of prep school tradition with a vibrant, forward-looking outlook where change is embraced and innovation celebrated. Pupils thrive on individual attention and achieve their best in a happy, secure and stimulating environment. Highly qualified, specialist teachers make learning exciting, develop enquiring minds and raise levels of expectation.

The school has a strong family community and a warm, friendly atmosphere, which are highly valued by pupils, parents and staff. While the school is non-selective, it successfully nurtures the potential in every pupil and each year the girls achieve impressive results academically as well as in sport, music, drama and art.

Our record of leavers' destinations is outstanding with girls gaining scholarships every year to a wide range of excellent senior schools, (including Benenden, Caterham, Kent College, Sevenoaks, St Pauls Girls School, Walthamstow Hall, Woldingham and Wycombe Abbey) and places at Kent grammar schools.

The Head is a member of the Independent Association of Prep Schools (IAPS) and the school is inspected by ISI. The most recent ISI inspection took place in February 2025 and the school was proud to be judged to meet all of the regulatory compliance standards in every area. The report was overwhelmingly positive and can be read on the school's website.

Looking to the future, the school aims to continue on it's journey of excellence, constantly improving the standard of teaching and learning, helping pupils achieve their personal best and expanding our educational provision to ensure they are future-ready.
